

ROTARY HOES

FARMGARD 

RHINO

220-400 HP

These rotary hoes are built tough and built to last. Smart design delivers a rigid steel frame with unique triple sealing inside to keep water, dirt and foreign objects from damaging bearings. The drive unit at the heart of the machine is designed and produced entirely by Celli.

Robust headstock

Heavy duty gear side drive

Steel face to face rotor seals

Oil cooler on side drive

Adjustable, spring loaded tailgates

Heavy duty gearbox with oil cooler

Features:

- Drive units designed and produced entirely by Celli enabling complete quality control over all componentry and workmanship
- Multi flange waterproof sealing system exclusively by Celli to give rotor bearings full protection from water, dirt, wire and other foreign material
- Steel face to face rotor seals for longer lasting rotor bearings
- Robust headstock for a stronger, longer lasting rotary hoe
- Box section body for rigidity and long life
- Oil filled rotor bearings for low maintenance and guaranteed lubrication
- Two speed gearbox rated to 400 hp
- Oil cooler on side drive and gearbox with reservoir
- Heavy duty swinging lower links
- Gear side drive
- 80 x 10mm 'L' blades with 16mm bolts
- Welded double flanges
- 250mm working depth
- Cam clutch
